

Snap Shot Year 5-6 Term 3

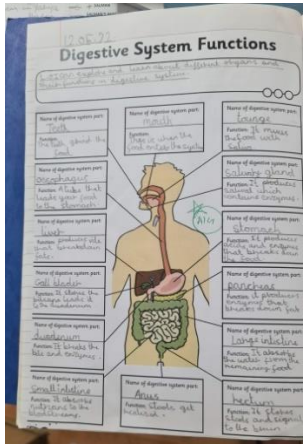

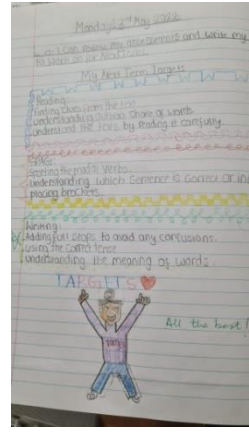

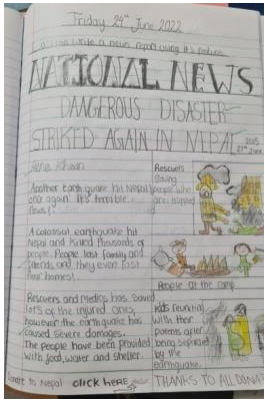

We started the term with Ramadan goals and duas from Allah SWT to keep us healthy and safe.

In English during term 3A, they created an imaginary island description. They also designed an islander living in their

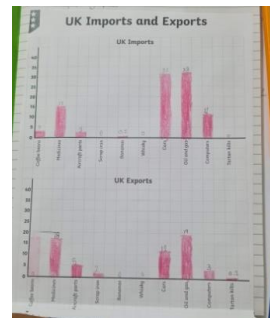

island based on Kensuke's Kingdom. We celebrated the Queen's birthday and held a debate session with year 3 and 4 to judge. It was a great opportunity for them to present their views and polish their oral skills. Children read Hobbit (Graphic Novel Version). They also had great time watching the first movie of the Hobbit series. They created news report and disaster diary about Nepal Earthquake. We ended our English unit with a poem about Saa'l (an important part of hajj) in which they narrated the story of Hazrat Hajra. AS

In our science for the term 3A, children learned about different systems in the body. They had experience with 3D models and videos of how these systems work. Term 3B was learning about Forces and how they work and affect ourselves.

Our Topic lessons were all about Queen Elizabeth II and her 70 Years reign. Children learn about the significant historical events during this time and created timelines and family tree.

Term 3B was learning about

trade and economics in the UK. Children learn about the history of trade and the scope of import and export. They played a trading game in order to make the most profit and sell the most items.

For PE this term, children learned about essential skills needed to play a football with their PE teacher Adam.

In Art, Children created drawings perspective and stylised designs. They also created silhouettes on

water colour back grounds.

Children created beautiful De-Stijl in their Maths lesson using the calculations and shapes.

For Earth Day, children created posters to inform about the dangers of global warming and how to reduce them. They also explored and wrote hadiths and ayahs from Quran to support the idea of taking care of the environment.
